Here comes the ride...

heritage bus hire for your big day

brought to you with over **50 years of experience** by **Ensignbus**

"We couldn't have wished for better. The buses were there on time, clean and ribboned up. Your staff were fantastic, nothing was too much effort for them. We had guests attending from Australia, USA, Greece and Canada. All of them were excited to travel on an old London bus."

- Jeremy

Your wedding...

is one of the most important days of your life and, of course, you want it to be a memorable one. Not just for you and your partner, but also for your families and friends. What better way for your guests to travel than by bus! It could be a 1940's vintage RT or an iconic red London Routemaster.

Whatever your requirements... We have the bus for the occasion!

Ensure your guests don't need to worry about congestion charges, ULEZ, bus lanes or parking and let us take care of all the travel arrangements Whether it's a single pick up or multiple locations, you'll have one less thing to worry about.

From a handful of people, to hundreds of passengers, we can move you on your big day.

"In run up to the wedding, and on the day itself, you went above and beyond, and gave a exceptional and flawless service, you all worked so hard to ensure everything was perfect."

- Amanda
